Offering VIP Pack of Gourmet Beef

This season we again offer a special VIP Pack of Gourmet Beef containing 4 tenderloin filets, 3 pounds of ground beef, and 3 packages of our 1/3 pound patties. Price is \$79.00 while supply lasts. This pack offers a small quantity of meat for the discerning beef eater.

Consider a Visit

During pasture season, we love to share our farm and animals. We've done tours for many types of groups and individuals. If you are interested in visiting, don't hesitate to call or email us to arrange a date. The only problem particularly for young children is the fact that the cattle are not pets, therefore they cannot be petted. We do however have three horses that love attention. They will gladly fill in for the cattle.
